# portrait sessions

Portrait Sessions take place on location of your choice\*. Such as your home, by the local park or by the lake, using available + off camera light for the best natural images. Sessions last up to two hours. Pets are welcome too! All portrait sessions include in-person viewing and a two-month online proofing gallery for you to select, order or share with your friends and family.

\* location approved by photographer within 100km from our studios

**session rates** **\$215**

Session fees cover photographer's time, travel, photography work and talent only, including professional editing, retouching and proofing gallery. Printed and digital products are purchased separately.
